Wrap-Up Newsletter

Saturday 4/19/2008

THANK YOU to everyone who said such nice things about the newsletter. The co-editors (Jeannine Dennis and Sharon Spellman) enjoyed putting this together and we are so glad that you all enjoyed the daily reporting and insight. Sharon did a wonderful job interviewing our winners and writing the great articles while I put together the placement information. I apologize for any inaccuracies and misspellings - the eyelids got droopy at the end of the night.
